FOR IMMEDIATE RELEASE

FilmAid goes to Sundance and partners with FilmCatcher.com

FilmAid International is thrilled to announce a new partnership with FilmCatcher.com.

FilmCatcher.com is a new premiere destination website for discovering, viewing and discussing independent films. FilmCatcher.com offers a carefully curated collection of classic and contemporary art house titles for purchase on DVD and will feature a similar collection for download. FilmCatcher.com has made FilmAid their primary charity partner and will be donating 5% of selected sales to FilmAid. We're excited to have entered into this partnership and we'll be working closely with FilmCatcher to help spread our mission of projecting hope and changing lives through the power of film.

In celebration of the partnership, FilmCatcher.com has invited FilmAid to join them this year at FilmCatcher's official launch party at the Sundance Film Festival. FilmAid will be at the party in support of our FilmCatcher friends as well as in representing our organization at the event.

So we'd like to invite you to join us at the party and in wishing FilmCatcher a successful launch by going on to their website at www.FilmCatcher.com, and learning more about them and our partnership. If you're at the Sundance Film Festival or would like to be, please come on by and support FilmAid and the FilmCatchers!
